20 JUNE 2023

Intersectional Gender & Climate Transformation

- ▶ UNDERLYING SYSTEMIC SOCIAL INEQUALITIES.
- ▶ INTERSECTIONAL GENDER TRANSFORMATIVE CHANGE.
 - ▶ Farming that works
 - ▶ Energy that transforms
 - ▶ Resilience that protects

INTERNATIONAL POLICIES, TREATIES & AGREEMENTS:

- Sustainable Development Goals
- UNFCCC Paris Agreement

Human rights violations &
vulnerability to climate
change.

- Gender inequality
- Discriminatory laws
- Inequity & imbalance

Recommendations.

- Transformative actions
- Gender budgeting in climate finance

WHAT GLOBAL NORTH COUNTRIES CAN DO TO HELP THE SITUATION.

- Finance and support
- Enhanced ambition
- Reform of international finance.
- Gender equitable participation

CONCLUSION

- ❖ **Double mainstreaming of gender and climate is the only way forward.**

THANK YOU
